HOW TO BECOME ONE OF THE BEST

Joining BEST- NABA

We are a membership-based not-for-profit organization working to increase public enjoyment and conservation of butterflies. Please support us in these efforts.

Members receive American Butterflies and Butterfly Gardener. Our local chapter, Butterfly Enthusiasts of Southeast Texas (BEST-NABA) promotes these national goals across our region by organizing field trips for the purpose of observing and photographing butterflies in the natural environment, coordinating and manning butterfly counts throughout Southeast Texas, giving public presentations, promoting the planting of butterfly gardens, and working with other local groups to conserve open space for butterflies.

IMPORTANT INFO FOR MEMBERSHIP

We are requesting that you mail this separate form to BEST when you mail your dues to NABA in order for BEST to add you to our mailing list sooner and thus, be able to give you information on upcoming field trips and events, quicker than if we were waiting to receive your information from NABA.

That would save you a stamp.
